

# Marathon international

Germany – France – Luxembourg

On 9th April, 2011 the first DEU/FRA/LUX-Marathon-Cup takes place. To complete these series, long distance walkers must complete at least one marathon in each of the participating countries Germany, France and Luxembourg. Six marathons, two in each country, are offered.

Rhineland-Palatinate thinks internationally. They have a reason for it. The western province borders on France, Luxembourg and Belgium. International guest are welcome at walking days in the Eifel or Pfalz, Moselle or Nahe and walkers from Luxembourg or France represent a considerable percentage of participants.

It starts in Wissmannsdorf on 9th April, 2011. Registration for the DEU/FRA/LUX-Marathon-Cup can be made at the first walk but also until the 4th walk on 2nd October, 2011, as the three outstanding marathons can be done in October and November in Folschviller/FRA, Bad Sobernheim/DEU and Bettendorf/LUX. It is important that each participant attends at least one event per country. Of course, it is possible to attend all six. Pre-Registration can be done with the organizer Bernd Derschug but this is not necessary. There is no additional record book for these walks. The stamps in the regular IVV record book are valid as proof, but after each walk a registration of the walker's name is required.

The participation is free of charge. If a badge or certification is required after successful participation, 5 Euros and/or 7 Euros (postal delivery) have to be paid at registration. Awards are given after the 5<sup>th</sup> and/or 6<sup>th</sup> walk in Bad Sobernheim or Bettendorf. Conditions are according to the advertisement.
