

Dear Friends,

Only few months left until the Olympiad and we are looking forward to welcoming you in Antalya.

Herewith we would like to give you some information about Antalya. At registration we have found out that some participants or clubs book a low priced offer at travel agencies and do not take care of the exact location of the hotel.

Antalya is the 4th biggest town in Turkey and has more than 1.5 Million residents.

The province Antalya has a coastline of about 640 km that starts in Kas and ends in Gazipasa.

The 12th IVV Olympiad takes place in Muratpasa village, Kemer town and Konyaalti beach. However, some low priced hotels offered by some travel agencies are located in Kumluca, Aksu, Serik and Manavgat.

We kindly ask you to check the location of your hotel.

We gladly advise you. If you have not booked yet we are looking forward to helping you.

We are at your disposal for further questions and inquiries.
