

## Annual IVV Volkssport Photo Gallery - 2020

*Walk .... Discover .... Enjoy .... then Share!*

Share your passion for Volkssport through the photos you have taken at IVV-sanctioned events where you live or have travelled. Your participation will help promote your Association's / Federation's walks, illustrate the variety and richness of our walking experiences, and attract new walkers to Volkssport.

### Photo Guidelines

1. Use only photos taken by you while doing an officially sanctioned IVV event;
2. Due to the pandemic this year, you may also submit pictures taken previously in **2018** and **2019**;
3. Avoid taking pictures of easily identified individuals. Pictures of large groups are acceptable, however.
4. Pictures submitted must be posted **ONLY** on (1) an **individual FaceBook page**, (2) the **Facebook page of a local, regional or national Volkssport organization** (as a member or with their previous permission), or (3) the [IVV Photo Gallery FaceBook](#) page. Photos may also be submitted by using the hashtags below on an individual **Instagram** or on a **Twitter** account.
5. There is no limit to the number of pictures submitted, but they must fall into the categories indicated below, along with their appropriate 'hashtag'. Photos may then be searched and grouped for consideration by gallery visitors who may be interested in only one or two categories, but not all. In the FaceBook 'Write a post ...' text entry box, please enter (1) Your name, (2) a short photo description, (3) the location of the photo, and (4) the appropriate '#hashtag'. Then (5) add your photo to your message by clicking on the Photo/Video button below and navigating to the chosen picture on your computer or other device. The descriptive text may be in **English, German or French**. The appropriate hashtags for each gallery theme are listed below.

Example: Graham Fawcett - Haida totem poles - Victoria, BC CANADA - #ivvculture2020

6. The same picture may be submitted for any two of the categories listed below by adding two of the hashtags to the same picture, but no more. **All photos will be approved by the Moderator before they appear on screen. Occasionally, approval may take 24-48 hours.**

**Themes are on other side**

## Gallery Categories / Themes

(Copy and paste these hashtags into the FaceBook Search Bar)

- Celebrations, Festivals, Parades** ..... #ivvcelebration2020
